## Beyond Blue Roadshow

On Tuesday, the senior students from JH went to the Geelong Waterfront to participate in some great activities organised by the Beyond Blue National Roadshow. Some of the activities included mini golf, a jumping castle, football and netball. The students also took advantage of the free BBQ, drinks and snacks. Everyone had a great time and represented the school well.

## Uniforms

As the weather cools down, we have seen a noticeable increase in the number of students not in full school uniform, particularly the number of students wearing jumpers and hoodies other than the school jumper. The school uniform is an important part of the way your child feels part of the team and the way they represent the school with pride. Parents and carers are reminded that school jumpers are available from the office at a cost of \$35. A new supply of jumpers is also on order.

## Bikes

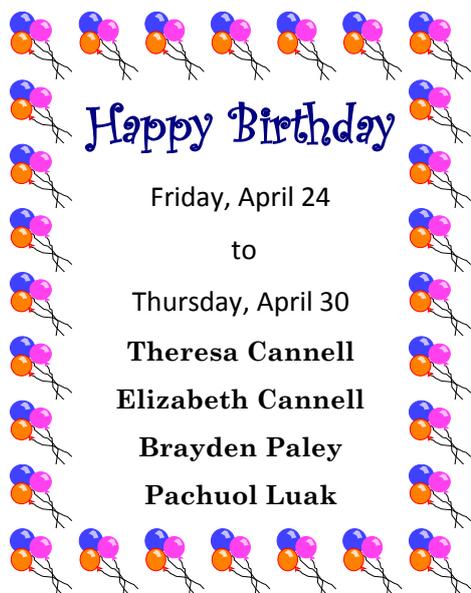

An organisation has made contact with the school with a generous offer to give refurbished, roadworthy bikes to some of our students. The bikes come with a helmet and bike lock. If you would like to take advantage of this offer, please make contact with Rachel or Megan so we can pass your name on. Please be aware that there are a limited number of bikes so we cannot guarantee that all those interested will receive a bike.
