WPS Olympics

Tomorrow, we will be holding a special Opening Ceremony for the Whittington Primary Olympics. Each class will be representing the country they were allocated in a lucky draw at an Assembly last Term. During the actual Olympics we will be having a range of Olympic activities and competitions between classes. It will be lots of fun.

Athletics

Despite a slightly soggy start, yesterday’s School Athletics day was a huge success. Children from Prep to 6 competed in events such as the egg and spoon race, sprints, shot put and triple jump.

Well done to all those who participated and a special thanks to Mrs Sanders and all the staff who helped to make it a successful day.

SWPBS: Right place, right time

In SWPBS the teachers and children are currently focusing on “I am in the right place at the right time”. This includes being at school on time, lining up nicely, sitting where the teacher has asked and playing in the correct play areas. Children from Prep have been practising this in their classroom with Mrs Devereaux and made this beautiful poster.

Toucan Appeal
The Geelong Food Relief Centre’s appeal is now on.
Donations are being gratefully accepted at the office of any tinned or packet food or toiletries.
If all families can donate one or two items to fill the box it would be fantastic.
Let’s see what we can do!

Attendance Award
Kyle and Braylee collected the cup for grade KC.

House Points
Shae received the shield for Troop House.
