Graduation

The smaller size of this year's Graduating Class of Year 6 students did not detract from a wonderful Graduation Ceremony last week. The Multi Purpose Room looked amazing (thanks Staff), and the seats were still all full of family who came along to support the students. The Graduates looked amazing and were as well dressed as any group have ever been (thanks parents). The work of all the group throughout the year was recognised, with some gaining recognition with awards:

- Citizenship Award - Melainee Noy-Hawkins and Brianna Howell
- Academic Award - Nikita Vigar
- Sport Award - Nick Barry
- Excellence Award - Amie Hudson
- Leadership Award - Nick Barry and Amie Hudson
- Scholarships - Nick Barry and Amie Hudson

We thank our sponsors, South Geelong Uniting Church, Christine Couzens (State Member of Parliament) and Richard Marles (Federal Member of Parliament).

Volunteers Morning Tea

On Monday we had a special morning tea to recognise the outstanding contribution of our many volunteers. It was a lovely morning and a great opportunity to celebrate their efforts.

Market Day

On Tuesday we held our annual Market Day. It was another lovely day, with many parents and friends joining us. Everyone had a great time, sampling many different foods from the stalls, buying jewellery, or trying some of the carnival games.

End of Year Celebration

Yesterday we all had an amazing day at the Barwon Valley Fun Park. We all joined in lots of fun activities, including bocce, board games and the three legged race. The middle and senior students tried their best in the Staff vs. Students softball game. A huge thankyou to Leopold Lions for the bbq lunch.
