School Captains
We are (again) absolutely delighted with our student leadership team. Isabella and Austin were inducted as our two School Captains and our new House Captains and Vice-Captains were also announced (photos on page 2). We are very confident that these 10 students will form a superb core of great leadership to help us achieve our school aim to be the best school in Geelong.

School Council Nominations
It is School Council Election time. I would like to thank all existing members who have done a fantastic job. Laura Hudson and Ruth Wilson have now retired and Karen Tomek’s current term is now completed.

As a result, we have three vacancies in the parent category. The election process opens today and will close on Thursday 25th (next week). Any parent wishing to nominate can self-nominate by filling out a nomination form at the office. If we have more nominations than vacancies, we will notify all parents on Monday 29 Feb and hold an election March 7-14th. Please consider nominating. School Council is important. Your contribution would be valued.

Safety Issues
Dogs: Please note that Department of Education rules prohibit bringing dogs onto the school grounds, unless prior arrangements have been made.

Smoking: New legislation prohibits smoking anywhere on school grounds. There are notices attached to the fences near all entrance gates.

School Car Park: The school car park is not a safe place for children to walk through alone. If dropping off children, please walk them from your car to the school building. No children should be walking through the car park alone!
Happy Birthday
