**Olympics Come to Whittington**

Next Term, starting on July 11, each class will adopt a country in the Whittington Olympics. The countries will be drawn from a hat at tomorrow’s Assembly. On August 8 there will be an Opening Ceremony and children will be asked to come to school in the colours of their class’s Olympic team. On the 19th we will have an Olympics day with a BBQ lunch and a Closing Ceremony at the end.

We thank all members of the JSC and in particular, Isabella and Tyson for the fantastic idea—and then all their work getting things organised (thanks also to Miss Sier). We are looking forward to it—it should be great fun.

**Name the Crane**

The building company associated with the construction of the new WorkCover building in the city centre have asked us to name the tower crane that they are going to use for the building. All students have been asked to make a suggestion and we will vote on the name tomorrow. The winning name will be painted on the crane by a sign writer and will be there for the whole time of the project.

**Reminder**

Term 2 ends tomorrow at 2:30, so Assembly will start early at 1:30. Parents and carers and grandparents are welcome. Term 3 starts on Monday July 11th.

**Strings Performance**

What a treat at school Assembly last week with our Strings students giving an amazing concert. The MPR was packed to the rafters with many parents squeezed against the wall and looking in from the sidelines. The students were incredibly impressive and the whole school listened with quiet attention.

Geelong Animal Welfare Society
GAWS is an animal rescue centre in Geelong. They take in animals and get them back to good health. GAWS provides shelter, water and food to animals without a home. GAWS is a great place to adopt animals. They do not get any funding from the government and are in need of your help. If you have any old towels or blankets, could you please place them in the donation bin at the school office.
Thank you, Isabella Perry
