Prep & Grade 1 Parents Special Activity & Lunch
Yesterday we had a fantastic turnout of parent and carers for the prep and grade one activity morning and lunch. The children really enjoyed having their families visit them at school. Families enjoyed the free barbeque and coffee van. Parents also got to meet Shae Coatsworth, our new Linking Learning contact with COGG. We thank our parents very much for their enthusiastic participation in the discussion about transition to school.

St Joseph’s College Visit
Yesterday, a group of boys from St Josephs College came to school as part of their Community Placement experience. The boys organised some fantastic basketball activities for the students in KL & JH. All of the students who joined in had a great time and worked well together as they rotated around the different activities. The St Josephs boys will be visiting each Wednesday lunchtime for the next three weeks.

After School Sports Program - Starting Next Tuesday
We have been lucky enough to successfully apply for some funding to again offer several sports programs at school. Next week on Tuesday, we will be starting our first night of After School Sport. Parents will need to complete the registration form and return it before their child/children can participate in the multi-sport activities. The activities will run from 3.30—4.30pm each Tuesday this term. Students will also be offered a small afternoon snack.

The funding will also allow us to offer free multi-sport activities at lunchtimes on Thursdays.
