Enrolments & Prep Transition
We are continuing to accept new enrolments for next year. We encourage any new families or families with siblings who are starting Prep next year to come into school for a tour at a time that’s convenient for them. Enrolling now helps us to better plan for our classes next year. The first Prep Transition visit will be on Friday, 20th November at 9.30am. Information has been sent directly to families of new prep students.

Remembrance Day
Yesterday, Mr Speight led the school in a one minute silence at 11 o’clock so that we could all remember the sacrifices that our servicemen and women have made for our country. Thank you to all the students and families that have supported the Poppy Appeal. We have raised $114 and sold all badges, wristbands and poppies.

New School Building
Earlier this week, a panel of representatives from the school and the Department of Education conducted interviews of prospective architects. At the completion of the interviews, a project architect for the new building was selected. An official announcement will be made within two weeks and planning work will begin before the end of the year. This is an exciting first step in the planning process.

Performing Arts Workshops
All of the students are really enjoying their performing arts workshops with Jane and Nat each week. In a similar arrangement to the open Art sessions, parents and carers are welcome to come in during their child’s session and join in the activities. It’s a great opportunity to come along and have some fun with your kids.

Session times are as follows:
Monday @ 10.00am - JM
Tuesday @ 9.00am - JH         Tuesday @ 10.00am - KL
Wednesday @ 9.00am - HD      Wednesday @ 10.00am - KC
Happy Birthday
Friday, November 13 to Thursday, November 19
