Road Safety Incursion
During the week, Senior Constable Noggler from the Geelong Police visited school to talk about Road Safety with HD & KC. The students watched some road safety videos and talked a lot about being safe when crossing the road and when riding your bike. The students also learnt about some simple road rules, like having to wear a helmet when you ride.

Remembrance Day - November 11
The Geelong RSL is once again running the Poppy Appeal to raise funds for returned service men/women and their families. We have badges and poppies left for $1. Please support this wonderful fundraiser.

Enrollments & Prep Transition
We are continuing to accept new enrollments for next year. We encourage any new families or families with siblings who are starting Prep next year to come into school for a tour at a time that’s convenient for them. Enrolling now helps us to better plan for our classes next year. The first Prep Transition visit will be on Friday 20th November. Further information will be sent directly to families of new prep students.
