REMINDER Early Assembly and Finish Time Tomorrow

Claw the Crane Unveiling

Our Prep students all went down to the city to the new Worksafe site on Monday. The Preps had the honour of unveiling the newly painted sign on the Tower Crane with the name they came up with—well done to Maddy Barry for her inspired suggestion of the name ‘The Claw’. They loved the whole experience, especially the crane’s loud horn!!

Basketball

Congratulations to all the students who represented Whittington PS so well at the district basketball last week. Although we didn’t win, we improved with each game played and importantly never gave up! Both the boys and girls fought a hotly contested last game only going down by 4 points each. It was definitely a huge effort from our girls who went in with only 5 players, meaning all 5 of them played all games without any subs. It was great seeing the children putting the skills they have learnt in PE into action and the great sportsmanship displayed by all. Thanks to Mr Devereaux for giving up some of his time to help with training and to the parents who came to support our students. It’s always a pleasure to be involved with our students at these events as they are always great ambassadors for our school - this was no exception!
