

# STUDENT WELLBEING AND ENGAGEMENT POLICY

## PURPOSE

The purpose of this policy is to ensure that all students and members of our school community understand:

- (a) our commitment to providing a safe and supportive learning environment for students
- (b) expectations for positive student behaviour
- (c) support available to students and families
- (d) our school's policies and procedures for responding to inappropriate student behaviour.

Whittington Primary School is committed to providing a safe, secure and stimulating learning environment for all students. We understand that students reach their full potential only when they are happy, healthy and safe, and that a positive school culture helps to engage students and support them in their learning. Our school acknowledges that student wellbeing and student learning outcomes are closely linked.

The objective of this policy is to support our school to create and maintain a safe, supportive and inclusive school environment consistent with our school's values.

## SCOPE

This policy applies to all school activities, including camps and excursions.

## CONTENTS

1. School profile
2. School values, philosophy and vision
3. Engagement strategies
4. Identifying students in need of support
5. Student rights and responsibilities
6. Student behavioural expectations
7. Engaging with families
8. Evaluation

## POLICY

### 1. School profile

Whittington Primary School's vision is to be a school community where everyone is empowered to achieve excellence. This vision is captured in our motto 'Empowering Young Minds' and values of respect, responsibility and resilience. Our mission is to provide a safe and supportive learning environment that inspires and challenges all members of the community to embrace learning and achieve academic, social and emotional excellence.

In 2019, the school rebuild was completed and the school now boasts modern, state of the art learning spaces as well as access to high quality resources to complement our comprehensive teaching and learning programs. Staff are purposeful in delivering optimal experiences, providing all students with learning that is personalised, evidence-based and technologically rich. Our students engage in a broad and differentiated curriculum promoting creativity, resilience and a growth mindset.

High expectations of our students underpin the rich learning tasks and challenges provided for all students as they are supported to achieve and thrive. Professionalism, instructional capacity and accountability of our teachers is paramount to the education our students receive. Teacher quality is crucial for optimal student achievement and so our energies are strategically directed towards coaching and capacity building of our teaching staff.

Whittington Primary School is committed to:

- building a culture of high expectations
- empowering all learners to achieve excellence and celebrate their success
- developing a professional learning community that is focussed on the continuous improvement
- delivering a high quality and rigorous curriculum that meets the learning needs of all students
- empowering learners to take ownership and be active participants in their learning
- building resilience and supporting students to be happy, healthy and confident learners
- engaging with parents, carers and the wider community as genuine partners in learning, striving to achieve the best possible outcomes for all students.

## **2. School values, philosophy and vision**

Whittington Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, responsibility and resilience at every opportunity.

### **Mission:**

WPS is a holistic school that is strongly connected to the community. We inspire, nurture and enable students to become ethical and creative thinkers, who are the leaders and problem solvers of tomorrow.

### **Vision:**

At Whittington Primary School our students will have the knowledge, skills and attributes to become capable and empowered learners, who thrive and contribute in an ever-changing world.

We will ensure that our students seek new knowledge, actively participate and exceed expectations. Our students will display their capacity through working collaboratively and being curious. They will be creative and critical thinkers and become life-long learners.

Our students will develop character traits that empower them with a clear sense of purpose, high aspirations and a strong moral compass to navigate complexities they encounter.

Our students will have strong community connections and will be valued and valuable contributors to their world.

Teachers at WPS will use best practice to deliver an engaging, inspiring and relevant curriculum. We will engage in inquiry driven learning that promotes student voice and agency.

Our students will participate in an ever-expanding variety of experiences to enhance learning.

### **3. Engagement strategies**

Whittington Primary School has developed a range of strategies to promote engagement, positive behaviour and respectful relationships for all students in our school. We acknowledge that some students may need extra social, emotional or educational support at school, and that the needs of students will change over time as they grow and learn.

A summary of the universal (whole of school), targeted (year group specific) and individual engagement strategies used by our school is included below:

#### Universal

- high and consistent expectations of all staff, students and parents and carers
- prioritise positive relationships between staff and students, recognising the fundamental role this plays in building and sustaining student wellbeing
- creating a culture that is inclusive, engaging and supportive
- welcoming all parents/carers and being responsive to them as partners in learning
- analysing and being responsive to a range of school data such as attendance, Attitudes to School Survey, parent survey data, student management data and school level assessment data
- teachers at Whittington Primary School use a school created instructional framework to ensure an explicit, common and shared model of instruction to ensure that evidenced-based, high yield teaching practices are incorporated into all lessons
- teachers at Whittington Primary School adopt a broad range of teaching and assessment approaches to effectively respond to the diverse learning styles, strengths and needs of our students and follow the standards set by the Victorian Institute of Teaching
- our school's Statement of Values are incorporated into our curriculum and promoted to students, staff and parents so that they are shared and celebrated as the foundation of our school community
- carefully planned transition programs to support students moving into different stages of their schooling
- positive behaviour and student achievement is acknowledged in the classroom, and formally in school assemblies and communication to parents
- monitor student attendance and implement attendance improvement strategies at a whole-school, cohort and individual level
- students have the opportunity to contribute to and provide feedback on decisions about school operations through the Junior School Council and other forums including year group meetings and Peer Support Groups. Students are also encouraged to speak with their teachers, Year Level Coordinator, Assistant Principal and Principal whenever they have any questions or concerns.
- create opportunities for cross—age connections amongst students through buddy support programs
- All students are welcome to self-refer to the Student Wellbeing Coordinator, Year Group Leaders, Assistant Principal and Principal if they would like to discuss a particular issue or feel

as though they may need support of any kind. We are proud to have an 'open door' policy where students and staff are partners in learning

- we engage in school wide positive behaviour support with our staff and students, which includes programs such as:
  - Berry St
- opportunities for student inclusion (i.e. sports teams, clubs, recess and lunchtime activities)
- buddy programs, mentor support programs

### Targeted

- each year group has a PLC Leader, a senior teacher responsible for their year, who monitor the health and wellbeing of students in their year, and act as a point of contact for students who may need additional support
- connect all Koorie students with a Koorie Engagement Support Officer
- all students in Out of Home Care will be appointed a Learning Mentor, have an Individual Learning Plan and will be referred to Student Support Services for an Educational Needs Assessment
- wellbeing and health staff will undertake health promotion and social skills development in response to needs identified by student wellbeing data, classroom teachers or other school staff each year
- staff will apply a trauma-informed approach to working with students who have experienced trauma

### Individual

- Student Support Groups, see:  
<http://www.education.vic.gov.au/school/principals/spag/participation/pages/supportgroups.aspx>
- Individual Learning Plan and Behaviour Support Plan
- Program for Students with Disabilities
- referral to Student Welfare Coordinator and Student Support Services
- referral to ChildFirst, Headspace
- Navigator
- Lookout

Whittington Primary School implements a range of strategies that support and promote individual engagement. These can include:

- building constructive relationships with students at risk or students who are vulnerable due to complex individual circumstances
- meeting with student and their parent/carer to talk about how best to help the student engage with school
- developing an Individual Learning Plan and/or a Behaviour Support Plan
- considering if any environmental changes need to be made, for example changing the classroom set up
- referring the student to:
  - school-based wellbeing supports
  - Student Support Services
  - Appropriate external supports such as council based youth and family services, other allied health professionals, headspace, child and adolescent mental health services or ChildFirst

Where necessary the school will support the student's family to engage by:

- being responsive and sensitive to changes in the student's circumstances and health and wellbeing
- collaborating, where appropriate and with the support of the student and their family, with any external allied health professionals, services or agencies that are supporting the student
- monitoring individual student attendance and developing an Attendance Improvement Plans in collaboration with the student and their family
- running regular Student Support Group meetings for all students:
  - with a disability
  - in Out of Home Care
  - and with other complex needs that require ongoing support and monitoring.

#### **4. Identifying students in need of support**

Whittington Primary School is committed to providing the necessary support to ensure our students are supported intellectually, emotionally and socially. The Student Wellbeing team plays a significant role in developing and implementing strategies help identify students in need of support and enhance student wellbeing. Whittington Primary School will utilise the following information and tools to identify students in need of extra emotional, social or educational support:

- personal, health and learning information gathered upon enrolment and while the student is enrolled
- attendance records
- academic performance
- observations by school staff such as changes in engagement, behaviour, self-care, social connectedness and motivation
- attendance, detention and suspension data
- engagement with families
- self-referrals or referrals from peers

#### **5. Student rights and responsibilities**

All members of our school community have a right to experience a safe and supportive school environment. We expect that all students, staff, parents and carers treat each other with respect and dignity. Our school's Statement of Values highlights the rights and responsibilities of members of our community.

Students have the right to:

- participate fully in their education
- feel safe, secure and happy at school
- learn in an environment free from bullying, harassment, violence, discrimination or intimidation
- express their ideas, feelings and concerns.

Students have the responsibility to:

- participate fully in their educational program
- display positive behaviours that demonstrate respect for themselves, their peers, their teachers and members of the school community
- respect the right of others to learn.

Students who may have a complaint or concern about something that has happened at school are encouraged to speak to their parents or carers and approach a trusted teacher or a member of the school leadership team.

## 6. Student behavioural expectations

Behavioural expectations of students, staff and families are grounded in our school's Statement of Values. Student bullying behaviour will be responded to consistently with Whittington Primary School's Bullying policy.

When a student acts in breach of the behaviour standards of our school community, Whittington Primary School will institute a staged response, consistent with the Department's Student Engagement and Inclusion Guidelines. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- warning a student that their behaviour is inappropriate
- teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour
- withdrawal of privileges
- referral to a member of the Leadership Team
- restorative practices
- detentions
- behaviour reviews
- suspension
- expulsion

Suspension and expulsion are measures of last resort and may only be used in particular situations consistent with Department policy, available at:

<http://www.education.vic.gov.au/school/principals/spag/participation/pages/engagement.aspx>

Corporal punishment is prohibited in our school and will not be used in any circumstance.

## 7. Engaging with families

Whittington Primary School values the input of parents and carers, and we will strive to support families to engage in their child's learning and build their capacity as active learners. We aim to be partners in learning with parents and carers in our school community.

We work hard to create successful partnerships with parents and carers by:

- ensuring that all parents have access to our school policies and procedures, available on our school website
- maintaining an open, respectful line of communication between parents and staff, supported by our Communicating with School Staff policy.
- providing parent volunteer opportunities so that families can contribute to school activities
- involving families with homework and other curriculum-related activities
- involving families in school decision making
- coordinating resources and services from the community for families
- including families in Student Support Groups, and developing individual plans for students.

## 8. Evaluation

Whittington Primary School will collect data each year to understand the frequency and types of wellbeing issues that are experienced by our students so that we can measure the success or otherwise of our school based strategies and identify emerging trends or needs.

Sources of data that will be assessed on an annual basis include:

- student survey data
- incidents data
- school reports
- parent survey
- case management
- CASES21
- SOCS
